

QA Sample Regulations - Habitum Test Community

This document is synthetic QA data for Habitum onboarding and AI agent tests. It is not a real legal document.

1. Pets

Residents may keep up to two domestic pets per unit. Dogs must remain on a leash in all common areas. Pet waste must be collected immediately. Aggressive animals or repeated noise complaints may require board review.

2. Quiet Hours

Quiet hours are from 10:00 PM to 7:00 AM Sunday through Thursday, and from 11:00 PM to 8:00 AM on Friday and Saturday. Loud music, construction noise, and party noise are not allowed during quiet hours.

3. Clubhouse Reservations

The clubhouse may be reserved by owners in good standing with at least 72 hours notice. Reservations require a refundable deposit of 150 USD. Events must end by 10:00 PM.

4. Parking

Each unit receives one assigned parking space. Visitor parking is limited to 24 hours unless approved by management. Blocking driveways, fire lanes, or another resident space may result in towing.

5. Maintenance Requests

Residents should report leaks, elevator issues, lighting failures, and security concerns through the management portal or by contacting the administrator. Emergency water leaks should be reported immediately.

6. Payments

Monthly assessments are due on the first day of each month. Payments received after the tenth day may be marked late and may include applicable late fees after board review.

Expected QA Questions

Ask about pets, quiet hours, clubhouse reservations, parking, and payment due dates. Also ask one unrelated question to verify out-of-scope behavior.
